Submission Guidelines

Spooo Presents is an anthology series focusing on anthropomorphic adult tales. Ideally, submissions will be part of a serial spanning multiple issues. Full 32 page books are preferred.

Originally designed as a way to get multiple books distributed through major comics distribution companies, *Spooo Presents* prides itself on using only the best artists and writers available. Editors require a professional presentation of work, an adherence to guidelines, and an ability to meet deadlines. Professional work nets professional results.

Themes: While stories to date have mostly contained male homosexual situations, all relationships are welcome. This includes heterosexual, lesbian, bisexual, and transgendered characters. All stories should be adult in nature. Extreme violence and depictions of gore are not acceptable. *Spooo Presents* strictly prints anthropomorphic comics. Humans and fantasy characters are acceptable but should not be the overwhelming content of stories. Stories containing transformation and "funny animal" styles are acceptable.

Artists and Authors: We will not match artists with authors and vice versa. Stories must have never been published before in any medium (including posted to the internet) and remain exclusive to "Spooo Presents."

Scripts and Dialog: We use the Gregg Reference Manual to resolve issues of style and grammar. While dialog may not fit into standard grammatical usage, the editors reserve the right to correct misuse of grammar and spelling.

How to Start: Contact editor@spooo.com first. New submissions should contain, at minimum, character sheets of all major characters (color optional), a fully written script, and rough layouts of the comic.

Technical Details: We use a standard comic book page ratio of 6.625" x 10.250" and suggest the use of Blue Line Comic Pages (available at Rabbit Valley® Comics). Traditionally drawn pages can be submitted for scanning by the publisher. Digital submissions are also welcome. Files must be at least 300DPI and presented in a lossless file format like Adobe Photoshop, TIFF, or Adobe Illustrator format. JPEG, PNG, and GIF files are unacceptable. Files must be in Greyscale or CMYK format. Stories of 16 pages or more should be prepared to provide a full color cover.

In a very far land, a mysterious bear-wolf guy seems to be waiting for something to happen...

What took you so long?...

...Teddy.

Ookami! I, no... We all need your help back in the land of bears!

...I sense it now, Bacchus is back in the land of mortals...

Why aren't you fighting?

I can't do it by myself, Ookami. I've reincarnated into the body of an ordinary bean. I need your superior abilities...

Wait, what?! You need me to participate in a fuck-fight again?!

I... I can't!

Yes you can, Ookami! He needs you once again. You have to help us for what we did to him in the past...

We owe Bert at least that...

Don't we, Ookami?

Back in the land of Bears...

Oh... This Feels so good!

HM?!

WHAT ARE THEY DOING HERE...?!

Bacchus! I've seen your evil scheme! We're here to stop you!

...

GUYS?

What the..?!
Bert! What are you doing?!
Buttocks!

Meanwhile...

...Awch! Damn Mars, he left my ass sore!

I don't know what just happened... But what matters right now is that Bacchus is giving the guys some trouble...

What's the matter? Is your ass sore or something?

EH?! N-No... It's just I fell on my back and my butt hurts...

Wait, What's that in the sky?!

Hmm... If you say so...

Is that...
Two Ookamis?!

Get away
From me!
I don't wanna
fuck with a
hypnotized
bear!

I SEE... SO THIS IS
HOW IT'S GOING
TO BE, THEN...

I'm sorry I left you for too long, Ace...

IT'S PLAY TIME!

What the-?!

He's going to crush me!

YOU'RE GOING TO PLEASE ME! NOW, RIM MY ASS!

Teddy! Stop that!

Did he called Ookami "Teddy"?

... I didn't think he wouldn't tell you the truth...

... I'm the true Ookami, his true name is Teddy.

When I was a kid, my dad gave me a Bear Plushie. It happened to be possesed by the soul of a lone kid... ...His desire of knowing how love felt kept him from moving on to the other side.

When Bacchus appeared the First time, he lent me his soul power by fusing with me so we could fight against Bacchus.

...But he fell in love with Bert...

ARE YOU SAYING...

...I'VE BEEN HAVING SEX WITH A... ...GHOST?!

I am not a ghost anymore...

Yes, I am Teddy Miles

...satisfied now, Ookami?

WOW...

WHATEVER. JUST GIVE ME WHAT I CRAVE!

..VENUS!

Is it the reason you're doing all this, Bacchus?

...Getting what you crave?

You need to give your life a deeper meaning, Bacchus.

Let's give it some meaning together, shall we?

I SEE YOU'VE BEEN FEELING FOR ME ALL THIS TIME, HAVEN'T YOU?

Well... Yeah, for a long time. What about you, Bacchus?

...YOU WERE WHAT I WAS CRAVING, VENUS.

...What just happened? Where am I?!

...Okay, that was totally unexpected.

Bert?! Are you back to your senses?!

Did you... Did you hear what just happened?

If you did It'd like to explain...

I did hear what Ookami said.

Please, do not try to explain yourself to me. It'd make it even worse.

You know why? because I know why you didn't tell me that the one who was in love with me was you, Teddy...

You were afraid that I might get scared of you because you were a ghost.

...But It's still not fair to me.

Uh oh... I didn't think the things between those two would get this messy because of me...

You didn't think that I deserved to know that the "real" Ookami didn't loved me?

I loved him with all my heart, thinking that he was you, Ted.

I fought countless battles, managed to become immortal just to get in touch with the person I loved... Just to know that he did not love me.

I even tattoed his name on my left hand, for pete's sake!

I don't know how to feel anymore, Teddy. I love you so much, but you lied to me.

You, from all the bears in the world, the only one I thought that would never hurt me.... hurt me!

...I need to go think for a while. Please, do not look for me. You won't find me.
